

Privacy Statement

(1) Hereinafter we inform you about the collection of personal data. Personal data is data, which contains information about personal circumstances and factual affairs such as name, address, email address, payment data and ordered services. Pursuant to § 3 Sect. 7 Bundesdatenschutzgesetz (BDSG) SSP Deutschland GmbH, Ginnheimer Str. 4 - 6, 65760 Eschborn is the responsible authority.

(2) Personal data will only be collected on a voluntarily basis, for example in the context of inquiries or reservations. Bookings via homepage will lead to the collection of contact and booking details. Contact details as referred to in this section are user's name, address, phone number, fax number and email address. Booking details as referred to in this section are user's date of arrival and departure as well as the requested area and possible additional services (catering etc.). The collection of such data is mandatory for processing requests or reservations.

The data will be collected and stored where necessary in order to perform due to the contractual obligations, e.g. replying to queries, processing agreements as well as technical administration. Any further use only if covered by the user's prior approval.

(3) Payment data will be transferred to the responsible payment service provider, who will be held responsible for user's payment data.

(4) We provide up - to - date technology in order to guarantee data security, particularly with regard to the security of user's personal data relating to risks in case of data transmissions as well as unlawful disclosure to third parties. This technology will be updated on a regular basis.

(5) Users are entitled to request information about their data stored with us at any time. This includes information about the origin of such data as well as the recipient and the categories of recipients to whom data will be transmitted and the purpose of storage. It is possible at any time to withdraw the authorization to use personal data. Any further requests for

information or objections against data processing are to be made exclusively to datenschutz@dus-conferenceplus.de or the address provided under section 1. If, despite our best efforts with regard to data privacy and validity any of the stored information turns out to be incorrect, we shall correct it upon user´s request.
